Miranda/Rick:

When it comes to mailing the BID petition packets, would SAS object to this approach?

Petition Mailing:

-Cover letter

-Promotional material

-Petition

-Petition completion instructions (who may sign, sample completed petition) -MDP Summary, with a link to a website that has the full MDP and ER available

In other words, is it okay to mail just the MDP summary if we make the full MDP/ER available online?

I think it's a green approach for the tech-savvy communities I'm currently working with. (I would use a different approach with a less tech-savvy community/group of owners.) Please let me know if this approach is acceptable to the Clerk's office.

Thanks!

Warmest regards,
